Dear Parent/Guardian,

The end of the school year is approaching and lunch accounts will be handled in the following manner:

1. **Checks for meal payments will not be accepted after May 5, 2017.** Effective **Monday, May 8, 2017,** CASH ONLY deposits will be accepted at the school office. Online payments through school cafe will continue to be an option with a service fee of 5% of the total deposit.
2. Lunch account balances will remain in the account for all returning students for the next school year.
3. PrimeroEdge meal system is used throughout the state; therefore, all public school students being promoted to 6th grade or entering a new district school will be able to use their same meal account. Please be sure your child's meal account has funds through the end of the school year so that report cards are not delayed. www.schoolcafe.com is the website to register as a parent to track accounts. Students with meal benefits can reapply for the new school year at: www.hionlineapps.primerioedge.com after July 14, 2017.
4. Refunds, if any, will be provided to students moving out of state only.
5. Students with meal obligations that expect to be moving out of state by the end of the school year must settle obligation to prevent delay in reports and transfers.
6. All school obligations are to be paid by the end of the school year.

Sincerely,
