

Keone'ula Elementary Student Supply Pick Up Schedule:

Drive by the upper pick up area on the date and time given in the schedule below, based on your child's last name. Only packets indicated for that span of time will be available. For families with children with various last names, or if you are unable to make it at the time of your pick up, come on Tuesday, May 26 at 10:00-10:30.

To assist with quicker pick up procedures and minimize face to face interaction, parents are encouraged to create a sign in large font or wide marker, indicating student's last name and first name, and display it on the driver side dashboard (facing out). Pop open the trunk and staff will place the bags of supplies in.

Example:

<p>Jackson -Michael -Janet -LaToya</p>

Then make your way to the cafeteria parking lot to sign for, and pick up your **pre-ordered yearbooks** following the same time schedule as supply pick up.

Extra yearbooks will only be available for CASH sale for \$24 (exact cash please) on Thursday, May 28, starting from 9:00 on a first come, first served basis, in the upper pick up area, in a drive by fashion. Only about 40 yearbooks will be available.
